Hi Hector,

I'm out of the office beginning tomorrow and back on 7/7, but wanted to shoot you a quick email after talking with Alex.

I think it's important that you be here on Thursday to address Alex's crew on the training. I heard Manny might not be available, but as long as you can make it that helps.

Also, Alex mentioned you're thinking of relocating the training for future sessions. My suggestion is to keep it as is, at the BID office, same place we've had it for the past 19 years.

It's worked well for several years and allows our team convenience and flexibility to maximize training.

Thanks,
Aaron
